Allowable Subject Matter

1. Claims 1-54 are allowed.
2. The following is an examiner's statement of reasons for allowance: Prior art fails to teach or fairly suggest a method of augmenting an image of a scene, in combination with all the other elements claimed, comprising: registering by the first computing unit the digital image with the digital elevation model to create a registered digital image; providing the registered digital image from the first computing unit to a second computing unit coupled to the first computing unit by a communication network; and augmenting the registered digital image provided to the second computing unit with at least some information about the scene in response to input from the second computing unit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
